

Web Terms & Conditions / Privacy Statement (GDPR)

Bag Service Terms & Conditions

- 1.1 Bio Collectors Limited undertakes to provide a collection of bagged food waste from the Customer's location unless prevented from doing so by circumstances beyond its reasonable control.
- 1.2 The Customer shall indemnify Bio Collectors Limited against all claims howsoever arising except for where Bio Collectors Limited or its agents have been negligent.
- 1.3 The Customer remains responsible for the safety and use of their bag service and any waste disposed therein at all times, until collected by Bio Collectors Limited.
- 1.4 All bags are for the collection of food waste only. Any non-acceptable waste disposed of in Bio Collectors bags will likely result in the collection being refused. Please ensure you have read our Acceptable Waste notice in conjunction with this agreement.
- 1.5 Non-Conforming waste remains the responsibility of site and will need to be removed in order for service to take place.
- 1.6 The Customer must purchase a minimum of one (1) bag roll per month to maintain service provision and an active account.
- 1.7 Bio Collectors reserve the right to amend and remove bag service provision in a specific area by providing a minimum of one (1) months' notice in writing to any affected Customers.

Privacy Statement

This document aims to give you information on how we collect and process your personal data using this website, including any data you may provide through this website when you purchase a product or otherwise interact with us. You will also find terms and conditions relating to the sale of goods via the Website.

It is important that you read this Privacy Notice together with any other Privacy Notice or Fair Processing Notice we may provide on specific occasions when we are collecting or processing personal data about you.

This Privacy Notice supplements the other notices and is not intended to override them.

WHO WE ARE:

Bio Collectors Ltd is a company registered in England and Wales (company number 07043206) with a registered office at 10 Osier Way, Mitcham, CR4 4NF

When you use our services, you'll share some information with us. We want to be upfront about the information we collect, how we use it, who we share it with and the choices we give you to control, access and update your information. For the purposes of data protection legislation, we are the data controller of your personal data.

THE PERSONAL INFORMATION WE COLLECT AND USE:

Information collected by us:

If you have registered with us, or ordered services/products from us, we will have your email address, telephone number, postal address and the method you chose to make your purchase with. We also collect information about how you use our services, such as the types of content you view or engage with or the frequency and duration of your activities.

In addition, our servers, logs, and other technologies automatically collect certain information (see below) to help us administer, protect, and improve our services; analyse usage; and improve users' experience. We share personal information with others only as described in this policy, or when we believe that the law permits or requires it.

Information we collect automatically:

Cookies: When using our websites, we may use cookies and other technologies such as web beacons, web storage and unique advertising identifiers to collect information about your activity, browser and device. This data helps us to build a profile of our users. Some of this data will be aggregated or statistical, which means that we will not be able to identify you individually. If you prefer, you can remove or reject browser cookies through the settings on your browser or device. However, rejecting or removing cookies could affect the availability and functionality of our services. For further information on use of cookies, please see www.allaboutcookies.org

Device information: We may also collect information about your device each time you use a site. If you have an account with us, we may collect information from or about the computers, phones or other devices where you log into our services. We may associate the information we collect from your different devices, which helps us provide consistent services across your devices. Here are some examples of the device information that we collect:

Attributes such as:

- The operating system and hardware version.
- Browser type and IP address
- Log information: We also collect log information when you use our website. That information includes, among other things:
 - Details about how you’ve engaged with us.
 - Device information, such as web browser type and language.
 - Access times.
 - Pages viewed.
 - IP address.
 - Identifiers associated with cookies or other technologies that may uniquely identify your device or browser.

How we use your personal information:

We use your information in several different ways. The table below set this out in detail, showing what we do, and why we do it.

Category of Personal Data	Purpose of Processing	Legal Basis under GDPR
Name and contact details	Deliver your service to you	Performance of a contract
	Send you service messages by email or text, such as service updates	Performance of a contract
	Send you information by email or post about new products or services	Legitimate Interests
	Fraud prevention and detection	Legal obligation
Date of birth information	Fraud prevention and detection	Legal obligation
Payment information	Take payments	Performance of a contract
	Fraud prevention and detection	Legal obligation
Contact history including recording of phone calls and support (e.g. phone, email, social media)	Provide customer service and support	Performance of a contract
	Train staff	Legitimate interests
Information about your phone or laptop, and how you use our website	Improve our website and set default options for you (such as language and currency)	Legitimate interests
	Fraud prevention and detection	Legal obligation

Who we share your personal information with:

We share your data with the following categories of companies as an essential part of being able to provide our services to you:

Professional service providers, such as agencies and website hosts who help us run our business
Credit reference agencies, law enforcement and fraud prevention agencies, so we can help tackle fraud
Companies approved by you, such as social media sites

How long your personal information will be kept:

We will hold on to your information for as long as you have your account, or as long as is needed to be able to provide the services to you, or (in the case of any contact you may have with our Customer Services team) for as long as is necessary to provide support-related reporting and trend analysis only.

If reasonably necessary or required to meet legal or regulatory requirements, resolve disputes, prevent fraud and abuse, or enforce our terms and conditions, we may also keep hold of some of your information as required, even after you have closed your account, or it is no longer needed to provide the services to you.

BILLING & RETURNS:

Billing services are handled via STRIPE or PAYPAL depending on customer choice. Bio Collectors do not retain or hold any credit card or payment information directly other than that required to fulfil the purchase.

All biodegradable food waste bags can only be returned in an unopened state due to their perishable nature. Any boxes opened or otherwise accessed will not be applicable for refund or return except where a physical defect is noted and agreed with Bio Collectors Ltd prior to return. Any return delivery costs to Bio Collectors will be met by the Customer. Any returns NOT due to a defect or by prior written agreement with Bio Collectors may be subject to a 10% restocking fee.

Should you ever receive any product you believe is damaged or defective you must notify us of the issue immediately in order to be able to open an RMA request with the office. Any products returned without this authorisation will not be refunded.

This does not affect your statutory rights.

TRANSFER OF YOUR INFORMATION OUT OF THE EEA:

We will not transfer your personal information data out of the EEA

JOB APPLICANTS, CURRENT AND FORMER EMPLOYEES:

Should you apply for a job with us, all the information you provide will only be used for progressing applications, or to fulfil legal or regulatory requirements if necessary.

We will not share any of the information you provide during the recruitment process with any third parties for marketing purposes or store any of your information outside of the EEA. The information you provide will be held securely by us and/or our data processors whether the information is in electronic or physical format.

We will use the contact details you provide to us to contact you to progress your application. We will use the other information you provide to assess your suitability for the role you have applied for.
How long your personal information will be kept

We do not collect more information than we need to fulfil our stated purposes and will not retain it for longer than is necessary. Therefore, if you unsuccessfully apply for a role with us, we will delete or anonymise your personal information once we have communicated this to you. There may be circumstances in which we will retain your data for a future opportunity and if this is the case, we will seek your express consent beforehand.

The information we ask for is used to assess your suitability for employment. You don't have to provide what we ask for but it might affect your application if you don't. Within the application stage we ask for your personal details including name and contact details. We also ask you about your previous experience, education, referees and for answers to questions relevant to the role you have applied for. Our office team will have access to all this information.

You will be asked to provide equal opportunities information. This is not mandatory information – if you do not provide it, it will not affect your application. Any information you do provide, will be used only to produce and monitor equal opportunities statistics.

If we make you a conditional offer of employment we will ask you for information so that we can carry out pre-employment

checks. You must successfully complete pre- employment checks to progress to a final offer. We are required to confirm the identity of our employees, their right to work in the United Kingdom and seek assurances as to their trustworthiness, integrity and reliability.

We therefore use your information in several different ways. The table below set this out in detail, showing what we do, and why we do it.
